

“My mum lost the diamond from her engagement ring the other day,” Grace told her friends. “She was very upset so we all prayed that God would show her where it was. Later, when she got into the car, something glittered, and there was her diamond on the floor. God answered our prayer!”

Yes, he can!

God answers our prayers

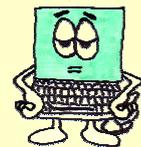

Listen to God! Mark 11:12-14, 20-26

Why did Jesus curse and kill the fig tree? Because he was angry? To show off? Or just because he could? We don't know exactly, but I'm sure it wasn't any of these reasons. Figs should appear on the fig tree before the leaves grow. This tree had leaves but no figs. It was worthless and Jesus treated it as such. His action also taught the disciples that it really was possible to do amazing things through prayer and faith in God. Does this mean we can ask for anything we like? No, it means that we can trust God to do what seems impossible in answer to our prayers.

Delbert our dictionary says

Curse: here it means to pronounce a judgment on someone or something. NOT a wish for evil, or to swear at someone as we think of a curse today.
