

# Family likeness?

Penny platypus says, "Echidna and I belong to the same family even though we look nothing alike. We each hatched from an egg. Mrs Echidna's baby is called a puggle."

Do you have a brother or sister?  
Do they look like you? It doesn't matter what we look like or who we are, we can all be part of God's family.

God's book, The Bible says, "You are all the children of God by faith."

Galatians 3:26

Join the dots to see what puggle looks like.

I can say, "Thank you Father God that you love me and want me to be part of your family."
