

Dancing fun

Bilby Bob says, "Meet my friend Brolga. He loves to dance - leaping, bowing and waving his wings. Some birds dance to attract a mate but Brolga just dances for fun."

Do you like to dance? Did you know you can praise God and show him how wonderful you think he is by dancing?

The Bible says,
"Praise God's name
by dancing and
playing music."
Psalm 149:3

I can say, "Dear God,
thank for giving me
arms and legs so I can
dance. I want to
dance to show how
wonderful you are."

Get someone to help you make dancing dolls. Fold paper into pleats to fit this pattern. Cut out and unfold. Add faces and clothes. Then let them dance.
