

Who protects you?

Bilby Bob says, "Meet my friend Australian Fur Seal. Many years ago people used to hunt and kill fur seals. Now they are protected by laws. No-one is allowed to hunt my Fur Seal friend."

God's book the Bible says, "The Lord (God) is my protector."

Psalm 18:1

I can say, "Thank you Lord God that you protect me and keep me safe. Thank you for the people who protect me too."

Draw a line around each person who can help protect us and keep us safe. What do they do?
