

# A good listener

Bilby Bob says, "My very long ears help me listen for animals like foxes who might want to harm me. When I hear them I can run into my burrow happy and safe"

Can you help Bilby Bob find the 3 foxes hiding in the bushes? Colour them in.

In his book the Bible God says, "The person who listens to me will be happy."

Proverbs 8:34

If we listen to what God says in the Bible we will be happy and safe.

I can say, "Heavenly Father, please help me to listen to what you say in your book the Bible."
