

Never give up

Bilby Bob says, "My friend Brush Turkey lays her eggs inside a giant mound of sticks, leaves and dirt that keeps them warm until the chicks hatch. Then the chicks have to scratch their way out. It sometimes takes all day but they never give up."

God never gives up either.
He never gives up loving us
and caring for us, no
matter what happens.

Can you count how many
chicks there are?

I can say, "Thank you God that you
never gives up loving us. Please help
me to always remember that."

In His book the
Bible, God says,
"I will always
love you."
Jeremiah 31:3
