

# Big or little

God's book the Bible says,  
"Jesus . . said,  
'Let the little children come to me."  
Luke 18:16

Bilby Bob says, "Red Kangaroo is as big and tall as a grownup person but when her joey (baby) is born he is only as big as a bean seed."

It doesn't matter how big or how small we are, Jesus loves us.

I can say, "Thank you Father God that you love everybody, even a little child like me."

Colour mother Red Kangaroo and her joey.

When you print out the page, this joey will be it's newborn size.
