

# Be like God

Bilby Bob says, "Mr Lyrebird likes to sing. He can imitate, which means copy, the songs of other birds, And he can copy other sounds he hears too, like a car, a camera or a chain saw. Can you copy those sounds?"

God's book,  
The Bible  
says, "Be  
imitators of  
God."  
Ephesians 5:1

I can say to God, "Dear God,  
I know you are kind, loving  
and good. Help me to copy  
and be like you."

Can you copy what it says in the big box?
